Consent

In addition to completing booking sheet, a consent for attending and participating in the ELC Holiday Program activities will be emailed to all families via the School's excursion management platform, *Consent2Go*. This platform assists the School in identifying all applicable risks associated with the Holiday Program activities to ensure students are kept safe. The consent will cover all daily excursions and incursions of the ELC Holiday Program. You will be prompted to update your child's medical details, please take the time to ensure your child's medical details are up to date. **Please note that all the activities will be included in the *Consent2Go* Platform and families only need to consent to the days/activities booked.** This allows consent to be given for any extra bookings that are made at a later date.
